## < 講義目的と主な内容(ハンドブック記載) >

Interchange Book 1 Units 10, 11, 12, 13, 14 plus teacher made materials

## < 講義概要と具体的な進め方 >

In the second term the lessons will concentrate on practical application of English in the real world and more specifically in the travel and hotel industry. The second term lessons will focus on aspects of polite language and useful phrases that will create a greater understanding and enable more effective communication of Japanese hospitality dealing with requests, asking permission and expressing and asking the desires of customers using English.

## < 到達目標レベル(何を、どのレベルに) >

Students range from low intermediate to high. The purpose is to review previously learned English and make it an effective tool to use in daily life – to make it practical and useful. Also to teach travel related vocabulary as well as current events around the world to have a practical use of English in the real world where it relates to the travel and hotel industry.
